A Partnership. The Anthem Community Council and the Sonoran Arts League have partnered together to bring “Art in Public Places”. The public art program will be located at the Anthem Civic Building with possible future phases to include: streetscapes, public buildings, pedestrian pathways, gateways, parks, lighting and signage.

The Mission of Art in Public Places is to engage the community and enrich public places through original artwork by local Arizona artists and Anthem residents.

The Mission of the Anthem Community Council is to establish and maintain a governing structure which will preserve, protect and enhance the plans, policies, infrastructure, and resources needed to support a sense of community, ensure sound economic development, and promote a quality of life for all Anthem residents.

The Mission of the Sonoran Arts League is to give to the community by promoting art, artists, and art education through leadership and service in the belief that an artistic awareness is essential to the well-being of life and our community.
