

Community Planning and Development Committee

This Committee shall provide advice and support to ACC staff and the Board regarding the final design and implementation of the board-approved priority master projects and participate in community outreach activities in support of these projects. This work may include:

- Design review and modifications as needed for master projects.
- Committee member representation at Anthem sponsored community functions.
- Neighborhood meetings for areas of approved master projects.
- Summary of community input regarding master projects to be presented to the Board.
- Review and recommend changes to master plan when requested by the Board.
- Monitor and report longer term project opportunities as requested by the Committee and authorized by the Board.
- Report on regional planning and development that may impact Anthem.
- Monitor and provide comments on new policies relating to the development and enhancement of Council amenities.
