New Class

Class

Barre Strength: Class uses weights, bands, exercise balls as well as using the ballet barre. This fused class will strengthen and stretch all the major muscle groups in the body. Barre focuses on core conditioning, butt and thigh work, and various stretch series. This workout will quickly and safely reshape your entire body, make you look and feel stronger, and be more confident.

Gentle/Restorative Yoga: Enjoy relaxed, passive stretching in a nurturing atmosphere. Movement is slow and may incorporate breathing techniques or guided meditation. Props are used to allow the body to relax in a safe and comfortable manner. Great class for beginners, injuries, ailments, stress and athletes. Individualized attention provided to fit all needs and abilities, including health concerns.

Strength, Stretch & Core: An all levels class that works on strength to build your core, stretching is included with this.

Tennis Yoga: Beginning fundamentals of yoga that focuses on hip opening, shoulder strength and side body lengthening to enhance court play.

Yoga Fun Flow: An all levels class that flows a little faster, standing balancing and some floor work will get you energized for your weekend.

Vinyasa Yoga: A class designed for those that want to take their yoga practice to the next level. An upbeat, exhilarating class that will sculpt your body, improve flexibility, and increase muscle tone while relieving stress.

Yoga Basics: Classes cover yogic postures, alignment, yogic concepts and how to grow the practice into everyday life. With emphasis on the fundamentals of proper form, proper alignment and proper awareness, the practice is easy enough for the first time students and challenging enough for returning students. Great class for those new to yoga or wanting a refresher course on the fundamentals.
