

The Maricopa County Department of Transportation, in partnership with Maricopa County Parks and Recreation, the City of Phoenix and the New River/Desert Hills Community Association is considering a new signed trail in your neighborhood.

The Desert Hills Trail would connect the city of Phoenix trail system at Carefree Highway and 7th Avenue with the Maricopa County trail system located on Desert Hills Drive. The proposed Desert Hills Trail would run along the west side of 7th Avenue, the north side of Galvin Street and the west side of 11th Avenue. (See Map)

The Desert Hills Trail would be located on Maricopa County and city of Phoenix right of way and would be designated by trail signs. Some tree and brush trimming would be necessary for safety purposes. No other alterations or adjustments will be made to the Desert Hills Trail route.

We want to hear from you! Please provide any feedback/comments to Ron Coleman, MCDOT Public Information Officer: e-mail: ronaldcoleman@mail.maricopa.gov or call (602) 506-4038

Please provide any feedback by Monday, September 26.
Thank you!
