CEO/CFOO OUTREACH AND GENERAL INFORMATION

Dog Park: Tree salvage and site clearing has been completed, with earthwork and rough grading ongoing. The general contractor has made continuous housekeeping efforts by utilizing a street sweeper for cleanup during the current phase of the project. Programming topics such as membership, fees, rules, etc. will be discussed later at the May Board meeting.

Proposed Riverview Development: Board members and staff attended the May 14 Rio Vista Village Planning Committee meeting. CEO Shearer and Director Willis voiced concerns at this meeting and the previous one, as well as in ACC publications, about the impact to Anthem should the rezoning/development be approved. The Committee voted 5-1 to recommend denial of the rezoning request. This vote is advisory to the City Council. The next hearing is before the Planning Commission on June 6 at 6 p.m. at the Phoenix City Council chambers.

COMMUNICATIONS

20th Anniversary: Staff hosted a booth at the first Music in May concert, and gave away lots of 20th anniversary swag. Anniversary social media features continue (“Flashback Fridays”), as well as the “Anthem Pioneers” series in each issue of *The Anthem Way* magazine this year.

Memorial Day Ceremony: Staff, along with the Special Events Department, is supporting the Daisy Mountain Veterans to host the Memorial Day Ceremony on May 27, 9 a.m., at the Anthem Veterans Memorial.

Water Rate Case: Board members and staff attended the May 9 EPCOR meeting, which the company hosted to explain the interim rates (based on the case decision from March 28) with Anthem ratepayers. More than 100 residents were in attendance. The next case will be filed May 1, 2020. More information is posted at *OnlineAtAnthem.com*.

Dog Park: The Anthem Canine Crew (ACC) updates have begun in eNews and on social media. These updates, which include an aerial photo of the site progress (and a canine mascot) will occur every two weeks.

COMMUNITY CENTER

Aquatics: Big Splash Water Park opens for the season May 25. Diving Boards already are open on Saturdays, noon-5 p.m. (except May 18; closed for staff training), and will open for the season along with the water park on May 25. Special needs hour at the water park will continue again this year, every Thursday from 9-10 a.m.

Sports: Indoor and sand volleyball were both a huge success this spring, with over 95 participants. Due to this success, the Sports Department is considering starting an Anthem Club Volleyball team this fall. 275 boys and girls participated in the Spring Soccer recreation league and skills clinics.

Facilities: New high efficient LED lights will be installed on the tennis courts to improve the quality of night play, as well increase visibility on the walkways and restroom area. CentiMark Roofing Solutions will repair the roof and flashing over the gym and fitness area.

Summer Camp: We are sad to announce the departure of Children's Program Manager Brie McDowell, who will leave us in a few weeks to move to the Flagstaff area. Brie has been with the ACC for more than five years. She will be missed by all, especially the summer campers. Summer Camp enrollment is doing very well, with several sessions at capacity and others 90-93% full. The first two weeks in July are lagging in enrollment (70-75% capacity) at this point, but there will be a marketing push in May/June with the goal to improve camp occupancy during these weeks.

CIVIC BUILDING

Asphalt Resurfacing Project: Scheduled for June 1-2 and 8-9, half of the parking lot will be closed the first weekend and the other half will be completed the following weekend. Please note the restricted parking lot availability during these weekends.

Java & Jammin': This program is on summer break until Sept. 14.

Upcoming Classes: Make Your Own Spice Rubs is scheduled for June 5, and Create Your Own Fancy Greeting Cards is scheduled for June 19.

SPECIAL EVENTS

Movie in the Park: This event is hosted by Arizona Hills Community Church on Sunday, May 26 from 7:30-9:30 p.m. in the Amphitheater. Light refreshments will be available.

Independence Day Celebration: We are accepting sponsors for the event that is scheduled for Wednesday, July 3, from 6-10 p.m. Event staff has been meeting with MCSO and DMFMD to review security plans, traffic control plan, transitioning between Posse support to off-duty deputy coverage, and overall increased security measures. New this year, Freedom Way will be closed between Anthem Way and Whitman Drive.

Music in May: Join us for the remaining Friday night concerts, as well as the return of the food trucks on May 31.

PARKS & FACILITIES

Project Updates: Electrical Technician Mike Krask has begun installing the replacement bollard pathway lights and will continue until he has replaced over 170 of them. A new shade structure was built to protect Parks and Facilities tractor and sports field equipment.

Memorandum

To: ACC Board of Directors
From: Neal Shearer, Community Executive Officer
Dawn Dworak, Management Analyst
C: Doug Greenstein, Community Finance and Operations Officer
Date: May 16, 2019
Re: Dog Park – 2nd Draft Membership Process, Rules and Fees

Recommendation

It is recommended that the Board consider additional community input and Board discussion at the May 22 meeting and provide direction to staff regarding:

1. Dog park membership process and rules;
2. Dog park hours of operation; and
3. Any initial membership fee for the approximate fifteen-month period from October 2019 through 2020.

Update

The report and information presented at the April Board meeting was preliminary and intended to allow the Board and residents time to consider the draft dog park operating policies, as well as to provide feedback prior to any final decisions being made. Since the April meeting, the Board has been provided with the dog park emails received and answered by staff, and relevant social media comments. Staff and legal counsel also conducted additional research on dog park age restrictions. This section of the report provides an update on two proposed changes to the draft rules that were presented in April, and the feedback received on the topic of user fees.

- **Age restrictions:** Staff is proposing a revised age restriction, as follows: “Children under the age of 14 must be accompanied by an adult.” This single age restriction replaces the previous draft rule that stated: “Children under 12 years of age are not permitted in the off leash zones; individuals between 12 and 15 years of age must be accompanied by an adult; individuals 16 years of age and older may be deemed a responsible dog handler.” The new age restriction is consistent with existing Community Center rules regarding

unattended minors using the fitness equipment and being in the pool area; and it more closely aligns with Fair Housing laws relating to age guidelines.

- **Prohibited items:** Choker collars have been removed from the list of prohibited items, due to community feedback that such collars may be necessary to control/train large dogs. Collars with spikes, prongs or other features that could injure dogs or handlers are still prohibited in the proposed rules.
- **User fees:** As expected, this topic generated the most community feedback. Staff had proposed a \$50 annual user fee—or about \$1/week—to help offset the nearly \$100,000 estimated annual operating costs. Feedback in the past month has been split on this issue, with strong feelings expressed on both sides. Some residents support the proposed \$50 user fee to offset costs associated with the specialty nature of the dog park (restricted access system, staffing, maintenance, etc.), as user fees currently exist for several activities, programs and facilities. Other residents assert that the dog park should be treated like other ACC park amenities that are funded by assessments and do not include an extra fee for general use. A third option has surfaced, which suggests that at a minimum, dog park members should be required to reimburse the ACC for the cost of the initial registration and setup (access fobs, collar tags, staff time, etc.), which is estimated to be \$20-\$25.

Clearly, reasonable and passionate arguments can be made for and against an annual user fee, and the Board has been provided with many pro and con perspectives that will not be replicated in this report. Whatever policy the Board decides regarding a potential fee, staff suggests that it applies only through 2020, to allow time to assess actual dog park membership numbers and operating costs in advance of considering possible fees and funding sources for the 2021 budget.

For the 2020 operating budget that the Board will approve in October 2019, any dog park operating costs that are not covered by a user fee will need to be funded by assessments, the Enhancement Fund, or some combination thereof. During the 2020 budget process, the Board will be informed about overall cost pressures on the operating budget, Enhancement Fund cash flow considerations, and revenue forecasts, in order to make an informed decision about the 2020 operating budget and revenue from assessments and other sources.

Any fee references in the balance of this report are shown as \$TBD (To Be Determined), subject to Board discussion and direction at the Board meeting.

Membership Process

Based on our research, staff is proposing the following draft membership process for the Board's consideration and feedback:

1. The Community Center membership staff, through in person appointments, will manage the Anthem Dog Park membership process and special membership drives to support first-year registrations and annual renewals. We are planning to begin processing

inaugural memberships this summer for the anticipated opening of the dog park in October. These initial memberships would cover approximately 15 months through December 2020.

- a. Memberships are restricted to Anthem residents only, who have active Community Center memberships;
 - b. All memberships would run on a calendar year basis and be renewed annually;
 - c. The selected membership fee, if any, would be per calendar year per household;
 - i. The membership fee covers two (2) dogs, with (\$TBD) for each additional dog up to a maximum of four (4) dogs per household; and includes two (2) gate entry fobs and up to four (4) dog collar park ID tags (color coded for each calendar year); extra cost for replacement bar code (\$TBD) and collar tag (\$TBD);
 - d. Proof of current Maricopa County license and Rabies vaccine for each dog is mandatory at the time of registration;
 - i. DHPP (Distemper combination) and Bordetella vaccines will be highly recommended, but not required.
2. The membership packet will include the following documents for information and/or signatures (see attached draft Membership Packet):
- a. Membership Checklist with instructions
 - b. Dog Park Membership Guidelines with Rules
 - c. Dog Park Membership Application (signature required)
 - d. Dog Park Waiver and Release Form (signature required)
 - e. Dog Park Definitions
 - f. “Dog Park 101” – Educational Information
 - g. Dog Park FAQs

Dog Park Rules

Our research found that dog park rules vary based on the nature of the facility and regulatory views of the dog park owner/governing body. In an effort to create a safe and enjoyable facility for all dog park users, staff is proposing the following draft set of rules to be posted on signs at the dog park (note: final wording will comply with ACC park rules standards for grammar, formatting, etc.).

Sample Posted Park Rules:

1. Dog Park is for Anthem residents only, with required dog park registration. For registration information, visit *OnlineAtAnthem.com*.
2. Use of the dog park is at your own risk.
3. Children under the age of 14 must be accompanied by an adult.
4. No more than two (2) dogs are permitted per responsible dog handler.
5. Dogs must be collared at all times while within the Anthem Dog Park, and must display current license tags issued by Maricopa County and the Anthem Community Council.

6. Dogs must be leashed when entering and exiting the Anthem Dog Park. Maricopa County leash laws must be observed at all times outside of the designated off-leash zones.
7. Dogs must be unleashed within the designated off-leash zones.
8. Dog handlers must be present, in sight, and maintain voice command of the dog(s) at all times.
9. Dog waste must be cleaned up immediately and disposed of in the receptacles provided.
10. Dogs, owners, and park users creating a disturbance or violating park rules must immediately leave the Anthem Dog Park if/when requested by law enforcement and/or park personnel.
11. Dogs may not be groomed within the Anthem Dog Park. Professional dog trainers and/or groomers are not permitted to conduct their business at the Anthem Dog Park.
12. Dogs in heat and puppies under 6 months are not permitted in the Anthem Dog Park.
13. Failure to abide by the park rules may result in suspension of park privileges.
14. Please report suspicious activity or violators: 623-879-3011.
15. For incident reporting, visit [OnlineAtAnthem.com/TBD](https://www.anthem.com/TBD)
16. In an emergency, call 911. Your location is 2707 W. Meridian Drive, Anthem.
17. Maricopa County Animal Control: 602-506-7387
18. All Anthem Community Park rules apply.

Prohibited Items: The following items may not be used or otherwise brought into the Anthem Dog Park.

1. Pinch, prong, electric and spike collars
2. Muzzles
3. Food, treats, alcohol, or glass
4. Bicycles or strollers
5. Smoking/Vaping products
6. Agility equipment

Hours of Operation

Staff is proposing the following hours of operation to accommodate anticipated high use periods and regular maintenance:

May-August 5:30 a.m.-9:45 p.m. and September-April 6 a.m.-9:45 p.m.
Closed every Wednesday until noon for maintenance

The ACC acknowledges and will convey to park users that the facility may be closed at other times due to weather conditions, or the need for additional maintenance and turf regeneration. In addition, the operating hours may be changed due to use patterns or other issues that may arise.

Other residents of the household registered to the Member ("Authorized User") are authorized to access the Anthem Dog Park with dogs registered to a Member so long as the Authorized User complies with the Membership Guidelines and all other rules and regulations established by the Anthem Community Council for the use of the Anthem Dog Park, whether or not such rules and regulations are posted at the Anthem Dog Park. Guests of the Member or any Authorized User are entitled to accompany a Member or Authorized User, but must observe the rules and regulations established for the Anthem Dog Park and are not permitted to bring unregistered dogs into the Anthem Dog Park.

Membership in the Anthem Dog Park shall only be available so long as the Member is in good standing as determined by the ACC. Members are responsible for informing all Authorized Users and any guests thereof about these Dog Park Guidelines and shall be liable for any breach of these Dog Park Guidelines by their Authorized Users or guests.

Anthem Dog Park
Waiver and Release

Please read this form carefully and be aware that in consideration for permission to use the Anthem Dog Park, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your dog might sustain as a result of participating in any and all activities connected with and associated with use of the facility and surrounding areas.

I hereby acknowledge that I have voluntarily applied to participate and use with my dog(s) the Anthem Dog Park owned and operated by the Anthem Community Council ("ACC"). I understand that the act of unleashing my dog and being physically present within the Anthem Dog Park necessarily involves risks of injury to me, persons that accompany me, other people using the park, my dog(s), and other dogs. I understand that the aforementioned risks are entirely my responsibility and I expressly assume that responsibility and liability knowingly and voluntarily.

I hereby acknowledge that I have been provided a copy of the Dog Park Membership Guidelines adopted by the ACC and agree to fully comply therewith. I understand that the permit/license system is not established to guarantee that dogs in the park are safe or healthy, nor is it a guarantee that the dogs in the Anthem Dog Park are neutered or spayed. I also understand that dogs, irrespective of their training and usual past behavior or characteristics, may act or react unpredictably at times based upon instinct or circumstances, and that not all hazards and dangers associated with dog activities can be foreseen. I further understand and assume the inherent risks, including the propensity of a dog to behave in dangerous ways and acknowledge additional risks may include but are not limited to: the inexperience or irresponsibility of a dog owner/handler, the inability to predict a dog's reaction to sound, movement, objects, persons, dog fights, dog bites, theft or unlawful capture; escape over or under fences; vegetation or standing water that may be poisonous if consumed, mosquitoes, ticks, fleas, other insects, wildlife such as snakes, lizards, etc. and I acknowledge that I am a recreational user of the Anthem Dog Park pursuant to A.R.S. § 33-1551. I knowingly and voluntarily accept responsibility for all of these risks in exchange for the privilege of using the Anthem Dog Park.

By signing this Waiver and Release and using the dog park, I covenant not to sue and fully release and discharge the ACC, its past and present directors, officers, employees, agents, attorneys, and insurers, as well as any private citizen volunteer serving as Anthem Dog Park stewards, from any and all damages, causes of action (whether known or unknown), claims, demands, rights of action, resulting from or rising out of, my use of the Anthem Dog Park. I further agree to indemnify, protect, defense, and hold the ACC harmless for, from, and against, any and all claims, demands, judgments, penalties, liabilities, losses, costs, damages, and expenses directly or indirectly incurred by the ACC, including costs and attorneys' fees, whether or not a suit is filed, resulting from my use of the Anthem Dog Park.

I have carefully read this waiver and release and understand its contents. By affixing my signature below, I agree to comply with the terms of this agreement. My signature further confirms that I am not aware of any incidents in which my dog(s) has shown aggressive, fighting or biting behavior towards other animals or people.

DOG PARK 101

Canine Behavior/Communication:

- If you have never been to a dog park, familiarize yourself with canine play before visiting the park.
- A first-time dog park visit can be stressful for canines and humans. Consider visiting the park at non-peak times. (Peak times are typically Monday-Friday, late afternoon, evening and weekends and holidays.)
- There are dogs that play using a rough and tumble style with a lot of growling, grabbing, wrestling and tackling. Some dogs are daintier with bowing and chasing but not much physical contact. Some like to herd other dogs and may bark and nip.
- Do not overreact to normal behavior. Being protective makes your dog/s nervous and aggressive.
- Understand canine communication. Dogs may snap to “set their limits” with other dogs, to let the other dog/s know they are being too pushy. Dogs have various ways to communicate their dominance to other dogs. This may include:
 - Stiff-legged posture with head held up and back
 - Raised hackles on the back.
 - Raised tail.
 - Laying across another dog’s shoulders or back.
- Be sensitive to other dogs playing. Watch your dog/s carefully and be prepared to intervene if the interaction seems to be aggressive.
- If your dog/s seems to be pestering or annoying to another dog, divert his/her attention immediately. This means you and your dog/s should move to another part of the park.
- If your dog/s becomes fearful or anxious, do not force him/her to stay.

Prevent Problems – Be Alert:

- **Know your dog/s;** monitor situations carefully and be prepared to intervene before behavior escalates into a full-fledged fight.
- Do not bring dogs with aggressive tendencies to the park. You are risking harm and creating a potential liability for yourself.
- If a dog fight occurs, **owners are responsible for breaking it up**. Both owners must get control of their dog/s at once. If the owner gets control of his/her dog/s but the other owner does not; it creates a very dangerous situation for the first dog and owner.
- **The safest way to break up a fight:**
 - Pull the dog/s apart from behind.
 - Grab the tail or hind legs.
 - DO NOT grab the collar or put your hands near the dog’s head.
 - Both owners should grab their dog/s at the same time.
 - Each dog should then be leashed and removed from the park immediately.
- Other owners should get ahold of their own dog/s, and divert their attention elsewhere. The sight of a fight sometimes entices other dogs to get involved.

- All dog bites must be reported. If a dog bite occurs you must exchange your name and phone number with the other dog owner. **Report all bites by contacting Maricopa County Animal Control at 602-506-7387.**

Children in the Dog Park:

- The dog park is a place for people to enjoy their dog/s.
- Children under the age of 14 must be accompanied by an adult.
- You are responsible for your child's safety.
- Most dogs are curious and friendly; not all dogs are child friendly.
- Dogs may feel threatened if a child runs toward them, yells or grabs at them.
- Dogs often run fast and play vigorously and they may inadvertently knock down and hurt a child.
- If you bring a child to the park, please make sure he/she knows these rules:
 - Do not wave arms, run, scream, chase or tease dogs.
 - Do not pet any dog/s without asking permission from their owner first.
 - When encountering an aggressive dog, do not run! Hide face with arms and stand still "like a tree" with arms and legs tucked into the body. Wait until an adult arrives to help or the dog leaves.
- Your main responsibility is the monitor your dog/s and to be prepared to intervene if there is any sign of trouble.
- Before bringing children to the dog park, consider whether you can effectively supervise both the dog/s and the children at the same time. If not, instead please consider taking the children to the Anthem Community Park.

DOG PARK FREQUENTLY ASKED QUESTIONS

If I do not live in Anthem, AZ, can I use the dog park? At this time, the dog park is available to Anthem residents only.

What identification do I need to have on my dog entering the park? Dog owners must have their Maricopa County license and Anthem collar tag affixed to their dog's collar at all times when in the park.

If my pet is a service dog, do I need to purchase membership and register my dog? Yes, you will still be required to fill out the appropriate paperwork, pay the fee, and obtain an access card and collar tag.

Does my registration and permit expire? Dog park access cards expire December 31 and are renewed on an annual basis. You will need to register your dog/s each year to receive your new access card and collar tag.

Can I transfer my dog's collar tag to a different dog? No. Please visit the membership office to provide licensing and vaccination information for the new dog, at that time a new tag will be issued.

What if I lose my access card? Replacement access cards are available at the Anthem Community Center at: 41130 N. Freedom Way during business hours. The replacement fee is \$TBD.

What if I lose the dog's collar tag? Replacement collar tags are available at the Anthem Community Center at: 41130 N. Freedom Way during normal business hours. The replacement fee is \$TBD.

What are the hours of the dog park? Park hours are May – August 5:30 a.m. to 9:45 p.m. and September – April 6 a.m. – 9:45 p.m. weather permitting. Park will be closed each Wednesday from until noon for scheduled maintenance.

Who do I inform when an incident occurs at the park? If you have a safety issue that needs addressed please follow these steps:

Can I bring my young children with me? Children under the age of 14 must be accompanied by an adult. Not all dogs are child-friendly. Never allow your child to approach or pet a strange dog without the owner's permission. All dogs have the potential to bite.

Will the dog parks be policed or monitored by the ACC Staff or dog park Stewards? There will not be a park staff person stationed at the dog park, however, staff and stewards will monitor the areas periodically.

When does my dog have to be on a leash at the park? Dogs must be leashed at any areas other than inside the off-leash zone. Each zone is intended for off-leash activity only.

My dog is on a correction collar; why can't I use it at the park? Correction collars (such as prong, pinch, shock, etc.) can inflict pain, injure the dog wearing the collar and the dogs he plays with during romp time at the park. If you are using a correction collar to walk your dog/s, consider switching to a front clipping body harness for better control.

Why is it important to keep close supervision on my dog in an enclosed area? As a courtesy and for the safety of other attendees, each owner must supervise and control their dog's behavior at all times while visiting the park.

What do I do if I see someone not following the rules? If a steward or ACC employee is at the dog park, you can let them know. However, we encourage everyone to hold others accountable. If you see someone not following the rules (i.e. doesn't pick up poop), introduce yourself, remind them of the rule, and thank them when they follow through. If we expect to have great dog parks, we must work together!

Should I bring my dog to the park when it's really hot? Because of the danger of heat stroke, staff warns against extended use of the park during the heat of the day.

Is there a restriction on the breed of dog allowed in the park? There is no restriction on the breed of dogs allowed in the park. However, please make sure your dog/s get along with other dogs, people and children.
