I also understand that dogs, irrespective of their training and usual past behavior or characteristics, may act or react unpredictably at times based upon instinct or circumstances, and that not all hazards and dangers associated with dog activities can be foreseen. I further understand and assume the inherent risks including the propensity of a dog to behave in dangerous ways and acknowledge additional risks may include but are not limited to: the inexperience or irresponsibility of a dog owner/handler, the inability to predict a dog's reaction to sound, movement, objects, persons, dog fights, dog bites, theft or unlawful capture; escape over or under fences; vegetation or standing water that may be toxic if consumed, mosquitoes, ticks, fleas, other insects, wildlife such as snakes, lizards, etc., and I acknowledge that I am a recreational user of the Anthem Dog Park pursuant to A.R.S. § 33-1551. MANAGEMENT AND OPERATION

The ACC shall have exclusive authority and shall be responsible for the management and operation of the Anthem Dog Park. Membership guidelines may change without notice.

The ACC shall select, retain, supervise, direct, fix the compensation of and discharge, at its sole discretion, all professionals and other personnel, agents and/or independent contractors which ACC deems necessary or desirable for the smooth and efficient operation and maintenance of the facilities.

Any complaints regarding such personnel shall be directed to the ACC or such other person as the ACC may designate. No person other than designated employees of ACC shall reprimand or admonish such personnel or direct them in performing their duties.

Canine Behavior/Communication

- If you have never been to a dog park, familiarize yourself with canine play before visiting the park.
- A first visit to a dog park visit can be stressful for canines and humans. Consider visiting the park at non-peak times.
- Do not overreact to normal behavior. Being overly protective may make your dog/s nervous and aggressive.
- Understand canine communication. Dogs may bark or snap to “set their limits” with other dogs, or to let the other dog/s know they are being too pushy. Dogs have various ways to communicate their dominance to other dogs. This may include:
 - ★ Stiff-legged posture with head held up and back
 - ★ Raised hackles on the back
 - ★ Raised tail
 - ★ Laying across another dog’s shoulders or back
 - ★ Ears back and down
- Be sensitive to other dogs playing. Watch your dog/s carefully, and be prepared to intervene if the interaction seems to be aggressive.
- If your dog/s seems to be pestering or annoying to another dog, divert his/her attention immediately. This means you and your dog/s should move to another part of the park.
- If your dog/s becomes fearful or anxious, do not force him/her to stay.

Prevent Problems – Be Alert

- **Know your dog/s:** Monitor situations carefully and be prepared to intervene before behavior escalates into a full-fledged fight.
- Do not bring dogs with aggressive tendencies to the park. You are risking harm and creating a potential liability for yourself.
- If a dogfight occurs, **owners are responsible for breaking it up.** Both owners must get control of their dog/s at once. If the owner gets control of his/her dog/s but the other owner does not, it creates a very dangerous situation for the first dog and owner.
- **The safest way to break up a fight:**
 - ★ Pull the dog/s apart from behind.
 - ★ Grab the tail or hind legs.

- ★ DO NOT grab the collar or put your hands near the dog’s head.
- ★ Both owners should grab their dog/s at the same time.
- ★ Each dog should then be leashed and removed from the park immediately.
- Other owners should get ahold of their own dog/s, and divert their attention elsewhere. The sight of a fight sometimes entices other dogs to get involved.
- If your dog bites another dog, exchange information with the other dog owner. This is a civil matter to be settled privately between members. **If your dog bites a human, contact Maricopa County Animal Control at 602-506-7387.**

Children in the Dog Park

- The dog park is a place for people to enjoy their dog/s.
- Children under the age of 14 must be accompanied by an adult.
- You are responsible for your child’s safety.
- Most dogs are curious and friendly; not all dogs are child-friendly.
- Dogs may feel threatened if a child runs toward them, yells or grabs at them.
- Dogs often run fast and play vigorously, and they may inadvertently knock down and hurt a child.
- If you bring a child to the park, please make sure he/she knows these rules:
 - ★ Do not wave arms, run, scream, chase or tease dogs.
 - ★ Do not pet any dog/s without asking permission from their owner first.
 - ★ When encountering an aggressive dog, do not run! Hide face with arms and stand still “like a tree” with arms and legs tucked into the body. Wait until an adult arrives to help or the dog leaves.
- Your main responsibility is to monitor your dog/s, and to be prepared to intervene if there is any sign of trouble.
- Before bringing children to the dog park, consider whether you can effectively supervise both the dog/s and the children at the same time. If not, instead please consider taking the children to one of Anthem’s other parks.

If I do not live in Anthem, AZ, can I use the dog park? The dog park is available to Anthem residents only.

What identification do I need to have on my dog entering the park? Dog owners must have their Maricopa County license and Anthem collar tag affixed to their dog's collar at all times when in the park.

If my pet is a service dog, do I need to purchase membership and register my dog? Yes, you will still be required to fill out the appropriate paperwork, pay the fee, and obtain an access fob and collar tag.

Does my registration and permit expire? Dog park access fobs expire Dec. 31 of each year and are renewed on an annual basis. You will need to register your dog/s each year to reactivate your access fob.

Can I transfer my dog's collar tag to a different dog? No. Please contact the Community Center membership office at 623-879-3011 to provide licensing and vaccination information for the new dog, at which time a new tag will be issued.

What if I lose my access fob? Contact the Anthem Community Center, 623-879-3011, during business hours. The replacement fee is \$10.00 per fob.

What if I lose the dog's collar tag? Contact the Anthem Community Center, 623-879-3011, during normal business hours. The replacement fee is \$5.00 per tag.

What are the hours of the dog park? Park hours are May-August, 5:30 a.m.-9:45 p.m. and September-April, 6 a.m.-9:45 p.m. daily (weather permitting). The dog park will be closed each Wednesday until noon for scheduled maintenance, as well as other times as needed.

Whom do I inform when an incident occurs at the park? If you have a safety issue that needs addressed please follow these steps:

- If it is a safety emergency (if a person is seriously hurt or in immediate danger of being seriously hurt), please call 911.
- To report suspicious activity or rule violators during business hours, call 623-879-3011. After hours, email dogpark@anthemcouncil.com.
- For maintenance issues, contact Parks & Facilities at 623-879-3028 during business hours.

Can I bring more than one dog to the dog park? No more than two dogs are permitted per resident/handler, at one time. Professional dog trainers are not permitted to conduct training on site.

Are toys permitted at the dog park? Yes. We do ask that all Frisbee, chuckit & ball throwing take place at the back of the off-leash zone to avoid people & dogs being struck by flying objects.

Can I bring my young children with me? Children under the age of 14 must be accompanied by an adult. Not all dogs are child-friendly. Never allow your child to approach or pet a dog without the owner's permission. All dogs have the potential to bite.

Will the dog park be policed or monitored by the ACC staff or dog park stewards? There will not be a staff person stationed at the dog park at all times; however, staff and stewards may monitor the areas periodically.

When does my dog have to be on a leash at the park? Dogs must be leashed at any areas other than inside the off-leash zone. Each zone is intended for off-leash activity only.

My dog is on a correction collar; why can't I use it at the park? Correction collars (such as prong, shock, etc.) can inflict pain, injure the dog wearing the collar and the dogs he plays with during romp time at the park. If you are using a correction collar to walk your dog/s, consider switching to a front clipping body harness for better control.

Why is it important to keep close supervision on my dog in an enclosed area? As a courtesy and for the safety of other attendees, each owner must supervise and control their dog's behavior at all times while visiting the park.

What do I do if I see someone not following the rules? If a steward or ACC employee is at the dog park, you can let them know. However, we encourage everyone to hold others accountable. If you see someone not following the rules (e.g. doesn't pick up dog waste), introduce yourself, remind them of the rule, and thank them when they follow through. If we expect to have a great dog park, we must work together!

Should I bring my dog to the park when it's really hot? Because of the danger of heat illness (to yourself and your dog/s), staff warns against extended use of the park during the heat of the day.

Is there a restriction on breeds allowed in the park? There is no restriction on the breed of dogs allowed in the park. However, please make sure your dog/s get along with other dogs, people and children.
